

Automotive Courses

Duration : 6 Months | 2 Semesters **Admission Fee:** 3000/-

Mechanical Technician

Fee Per Semester : 55,000/-

- Engine Fundamentals & Components
- Engine Overhauling & Maintenance
- Clutch & Transmission System
- Brake & Suspension System
- Steering System
- Cooling & Lubrication System
- Fuel System
- Workshop Tools & Safety

Electrical Technician

Fee Per Semester : 55,000/-

- Automotive Electrical Fundamentals
- Battery & Charging System
- Starting System
- Lighting System
- Ignition System
- Wiring & Circuits
- Alternator & Starter Motor
- Electrical Fault Finding

Diagnostics Technician

Fee Per Semester : 55,000/-

- Automotive Diagnostic Fundamentals
- OBD-II & Diagnostic Systems
- ECU & Sensors
- Scan Tool Operation
- Fault Code Reading & Clearing
- Engine Diagnostics
- Electrical Diagnostics
- Practical Fault Finding

Car A/C Technician

Fee Per Semester : 55,000/-

- Automotive A/C Fundamentals
- Compressor & Condenser
- Evaporator & Expansion Valve
- Refrigeration Cycle
- A/C Gas Charging
- Leak Detection
- A/C Electrical Controls
- A/C Troubleshooting & Maintenance

Electric Vehicle Technician

Fee Per Semester : 55,000/-

- EV Fundamentals
- Battery Pack & BMS
- Electric Motors
- Motor Controller
- Charging Systems
- EV Electrical Components
- EV Diagnostics
- High-Voltage Safety & Maintenance

Auto Denting & Painting

Fee Per Semester : 55,000/-

- Automotive Body Repair
- Dent Removal Techniques
- Panel Beating
- Welding & Body Repair
- Surface Preparation
- Putty & Primer Application
- Automotive Paint Mixing
- Spray Painting & Finishing

Automotive Courses

Duration : 1 Year | 4 Semesters

Admission Fee: 3000/-

Automotive Technology

Fee Per Semester : 55,000/-

- Automotive Mechanical Systems
- Automotive Electrical Systems
- Automotive Diagnostics
- Engine & Transmission
- Braking & Suspension
- Steering System
- Car A/C Systems
- Workshop Practice & Safety
- Computerized Vehicle Diagnostics
- Practical Workshop Training

Mechanical Technology

Fee Per Semester : 55,000/-

- Engine Technology
- Engine Overhauling
- Transmission & Clutch
- Braking & Suspension
- Steering & Wheel Alignment
- Fuel & Cooling Systems
- Vehicle Maintenance
- Workshop Tools & Equipment
- Fault Diagnosis
- Practical Workshop Training

Electrical & Electronics

Fee Per Semester : 55,000/-

- Automotive Electrical Fundamentals
- Battery & Charging System
- Starting & Ignition System
- Automotive Wiring
- Sensors & Actuators
- ECU & Electronic Systems
- Lighting & Accessories
- CAN Bus Fundamentals
- Electrical Diagnostics
- Practical Workshop Training

Diagnostics & EV Technology

Fee Per Semester : 55,000/-

- Advanced Vehicle Diagnostics
- OBD-II & Scan Tools
- ECU & Sensor Diagnostics
- Automotive Electronics
- EV Fundamentals
- EV Battery & BMS
- Electric Motor & Controller
- EV Charging Systems
- High-Voltage Safety
- Practical Diagnostics & EV Workshop
